SCG Gardeners Code of Conduct 2019

- *In order to make gardening pleasant for all...* Gardeners will keep a clean and well-maintained garden area. All organic waste material must be REMOVED from the garden daily, and other debris placed in designated areas.
- *In order to encourage friendship and community...* Gardeners will respect their fellow members and be helpful and courteous at all times.
- *In order to be a good gardening neighbor...* Gardeners will minimize the shading of neighboring plots and will not allow plants to grow into walkways or other plots. Any crowding or shading plants may be trimmed without warning.
- *In order to keep theft in check...* Gardeners will not tend to, or harvest in another gardener's plot (even those looking abandoned) unless given permission. Gardeners caught stealing produce will be expelled.
- *In order to keep our gardens well-maintained...* Gardeners will complete two hours of volunteer time per season, or pre-pay a \$30 fee to opt out.
- *In order to properly credit volunteer time...* Hours must be recorded in the supplied logs in a timely manner.
- *In order to protect our environment and our food...* Gardeners will follow organic gardening practices. Gardeners will not use chemical fertilizers, pesticides, or weed repellents.
- *In order to make sure it all runs smoothly...* Gardeners will plant and maintain their garden. If a garden has not been weeded by June 1st and planted by June 15th, or it appears to be abandoned at any time during the growing season, the gardener will be contacted and given one week to tend his/her garden. If the gardener does not, his or her garden will be reassigned or tilled in. If something comes up and you are unable to tend to your plot, please contact your garden captains as soon as possible.
- *In order to keep a good thing going...* Gardeners are welcome to use season extending techniques, but will otherwise clean out dead plant material in their plot by November 1st.

It is important to note that gardening with SCG requires regular consistent adherence to the above rules. We are a volunteer-run organization and the cooperation of our community is vital to the success of our organization. Also, inattention to the above issues affects all of your fellow members and their gardening experience. As we don't have time to chase folks down, warnings will only be issued once. Sadly, inability to comply may result in expulsion.

I understand that neither the City of Salem nor Salem Community Gardens, Inc. will be responsible for protecting or policing garden plots against vandalism or stealing of plants, fruits, or vegetables. I also understand that neither Salem Community Gardens, Inc. nor the City of Salem will be responsible for my actions. I THEREFORE AGREE TO HOLD HARMLESS SALEM COMMUNITY GARDENS, INC. AND THE CITY OF SALEM FOR ANY LIABILITY, DAMAGE, SOIL CONDITION, LOSS OR CLAIM THAT OCCURS IN CONNECTION WITH USE OF THE GARDEN BY ME OR ANY OF MY GUESTS. I have read and understand this code of conduct and will conduct myself accordingly, or I will surrender my privilege to garden at Salem Community Gardens.
